

COMPANY'S VISION & MISSION STATEMENT

1. VISION

To become a leader in tanker ships management through continuous improvement of every aspect of its business whilst meeting the needs of its customers, business partners, communities and contributing to global sustainable developments.

2. MISSION

To provide safe and environmentally responsible seaborne transportation of oil, bulk liquid chemicals and edible oils around the world.

Through continuous improvement **Unitized Ocean Transport Limited** aims to reach its objectives, which are:

- ⊕ no accidents
- ⊕ no harm to people
- ⊕ no damage to the environment
- ⊕ efficient energy performance
- ⊕ cost effective seaborne transportation services
- ⊕ to satisfy and where possible to exceed its clients' needs and expectations
