**PERFORMANCE SHIPPING INC. SECURES TIME CHARTER CONTRACT WITH OIL MAJOR
AT US\$33,500 PER DAY FOR LR2 AFRAMAX TANKER, M/T P. ALIKI**

ATHENS, GREECE, December 3, 2024 – Performance Shipping Inc. (NASDAQ: PSHG), (“we” or the “Company”), a global shipping company specializing in the ownership of tanker vessels, today announced that, through a separate wholly-owned subsidiary, it has entered into a time charter contract with SeaRiver Maritime LLC (the “Charterer”), a wholly-owned subsidiary of ExxonMobil Corporation (NYSE: XOM), for the 2010-built, 105,304 dwt LR2 Aframax tanker vessel, M/T P. Alik. The gross charter rate will be US\$33,500 per day for a period of seven (7) months +/- 15 days at the option of the Charterer and is expected to commence at the beginning of December. This charter will generate approximately US\$6.6 million of gross revenue for the minimum duration of the charter.

Commenting on this charter, Andreas Michalopoulos, the Company’s Chief Executive Officer, stated:

“We are extremely pleased to have secured this time charter with SeaRiver Maritime LLC, a subsidiary of ExxonMobil, one of the world’s leading oil majors. This agreement is a testament to the high standards of operational excellence we consistently deliver and reflects the confidence that charterers place in our vessels and management practices. We look forward to further strengthening this collaboration and continuing to deliver exceptional value to our stakeholders.”

About the Company

Performance Shipping Inc. is a global provider of shipping transportation services through its ownership of tanker vessels. The Company employs its fleet on spot voyages, through pool arrangements and on time charters.

Cautionary Statement Regarding Forward-Looking Statements

Matters discussed in this press release may constitute forward-looking statements. The Private Securities Litigation Reform Act of 1995 provides safe harbor protections for forward-looking statements in order to encourage companies to provide prospective information about their business. Forward-looking statements include, but are not limited to, statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements, which are other than statements of historical facts, including with respect to the delivery of the vessels we have agreed to acquire, future market conditions and the prospective financing and employment of our vessels. The words “believe,” “anticipate,” “intends,” “estimate,” “forecast,” “project,” “plan,” “potential,” “will,” “may,” “should,” “expect,” “targets,” “likely,” “would,” “could,” “seeks,” “continue,” “possible,” “might,” “pending” and similar expressions, terms or phrases may identify forward-looking statements.

The forward-looking statements in this press release are based upon various assumptions, many of which are based, in turn, upon further assumptions, including, without limitation, our management’s examination of historical operating trends, data contained in our records and other data available from third parties. Although we believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond our control, we cannot assure you that we will achieve or accomplish these expectations, beliefs, or projections.

In addition to these important factors, other important factors that, in our view, could cause actual results to differ materially from those discussed in the forward-looking statements include, but are not limited to: the strength of world economies, fluctuations in currencies and interest rates, general market conditions, including fluctuations in charter rates and vessel values, changes in demand in the tanker shipping industry, changes in the supply of vessels, changes in worldwide oil production and consumption and storage, changes in our operating expenses, including bunker prices, crew costs, drydocking and insurance costs, our future operating or financial results, availability of financing and refinancing including with respect to vessels we agree to acquire, changes in governmental rules and regulations or actions taken by regulatory authorities, potential liability from pending or future litigation, general domestic and international political conditions, the length and severity of epidemics and pandemics, including COVID-19, and their impact on the demand for seaborne transportation of petroleum and other types of products, changes in governmental rules and regulations or actions taken by regulatory authorities, general domestic and international political conditions or events, including “trade wars”, armed conflicts including the war in Ukraine and the war between Israel and Hamas or Iran, the imposition of new international sanctions, acts by terrorists or acts of piracy on ocean-going vessels, potential disruption of shipping routes due to accidents, labor disputes or political events, vessel breakdowns and instances of off-hires and other important factors. Please see our filings with the US Securities and Exchange Commission for a more complete discussion of these and other risks and uncertainties.
